  University incubators in Louvain-la-Neuve and Brussels
- **Mind & Market**
  Web platform and networking events connecting innovations with their market
- **LLN Science Park**
  A welcoming location for innovative companies

4 CORE STRENGTHS
- A complete innovation chain
- A *continuum* from academic research to entrepreneurship
- A multisite university in Wallonia and Brussels-Capital region
- A high-level international network

OUR STAKEHOLDERS
- Students
- Researchers
- Innovative project owners
- Spin-offs
- Start-ups
- Companies
UNIVERSITÉ CATHOLIQUE DE LOUVAIN

Whilst providing programs in entrepreneurship and innovation, UCLouvain constantly expands the limits of education and tirelessly pursues both fundamental and applied research. By doing so, it helps students become the architects of tomorrow, catalyses innovation from local to international levels, and forges solid multiple links with the socio-economic world.

LOUVAIN TECHNOLOGY TRANSFER OFFICE

Louvain Technology Transfer Office is a one-stop counter for bringing UCLouvain’s research findings out to the world. Its activities help researchers promote their work, and companies upgrade their innovation, therefore globally enhancing society’s well-being.

www.ltto.com

CEI LOUVAIN AND BLSI

Centre d’Entreprise et d’Innovation (CEI Louvain, Louvain-la-Neuve) and Brussels Life Sciences Incubator (BLSI, Brussels) are two UCLouvain incubators that accompany and host spin-offs, start-ups and innovative SMEs. They also intervene in the construction, launch and growth of business projects.
