

## **Louvain School of Management – Full Time Teaching Assistant Position – Accounting & Finance – Poste n°50029223 –Louvain-la-Neuve**

### **Job description**

#### Teaching (about 50%)

The assistant will take care of teaching duties, mainly in the field of accounting and finance, at both bachelor and master levels. The activities can consist, among others, in: supervising exercise sessions, design pedagogical tools, manage business cases or supervise students' projects.

#### Research (about 50%)

The assistant will develop research activities in light of managing a PhD thesis in Economics and Management Sciences. The latter will take place within the research institute to which the promotor is affiliated. The promotor will be chosen among the academic members of the domain.

### **Required skills**

- Master in economics, management sciences, business engineering or equivalent, obtained with a grade (equivalent to *distinction*).
- Motivated, easy to deal with, team spirit.
- Motivated and with pedagogical skills at the university level.
- At ease with English.
- Good written and oral skills.
- Autonomous, reliable.
- Be able to teach in French. If not, the candidate must commit to do so, and this will be put as a firm condition for the first renewal of the contract of 2 years.
