Dear Colleagues,

The GREgORI Project’s website is now available online at:

http://www.uclouvain.be/gregori-project.html

The GREgORI Project—former Research Project in Greek Lexicology (Projet de Recherche en Lexicologie Grecque) conducted since 1990 at the CIOL Institut orientaliste of the Université catholique de Louvain (UCL, Louvain-la-Neuve, Belgium)—provides scholars with software and lexical data used to process Ancient Greek and other languages of the Christian East (mainly Arabic, Armenian and Georgian).

**AVAILABLE NOW**
Materials freely downloadable for scholarly use

**ISAAC OF NINEVEH**
Concordance of the Ascetical Homilies
by Bastien Kindt and Marcel Pirard

**PHOTIOS OF CONSTANTINOPLE**
Concordance of the Bibliotheca
Preface and Codex 1 to 83
About this concordance, see B. Kindt, J. Schamp and CENTAL, Thesaurus Photii Constantinopolitan, Bibliotheca (Corpus Christianorum. Thesaurus Patrum Graecorum), Turnhout, 2004.
Information and order: info@brepols.net or orders@brepols.net

The GREgORI Project website will be regularly enriched with new lexical features such as concordances and index.
