The enrolment fee (€66) is included in the tuition fee and covers mainly matriculation, exams, insurance against bodily injury, medical-social fund contribution, printing student card costs.

* This amount returns to €0 for students who benefit from a French Community of Belgium study grant.
** The credit amount is defined by the student’s tuition fee divided by the number of programme credits (60 or 30).

Some university certificates are subject to a particular fee regime (e.g., university and research certificates, lifelong learning, internships), see [https://uclouvain.be/en/study/inscriptions/special-enrolment.html](https://uclouvain.be/en/study/inscriptions/special-enrolment.html).

($) Special disposition related to enrolment for a university certificate applicable to students enrolled in 2016-17 in a UCL academic programme.
